

## Row On Row On

*Words from ship's log of the Three Brothers whaling ship operating from Nantucket in 1846  
Original tune by Tim Laycock*

Clouds are upon the summer sky  
There's thunder in the wind  
Pull on, pull on and homeward hie  
Nor give one look behind

### Chorus

*Row on, row on;  
Another day may shine with brighter light,  
Ply, ply the oars and pull away,  
There's dawn beyond the night.*

Bear where thou goest the words of love  
Say all that words can say  
Changeless affections, strength to prove  
But speed upon the way

Oh, like yon river will I glide  
To where my heart would be  
My barque should soon outsail the tide  
That hurries to the sea

But yet a star shines constant still  
Through yonder cloudy sky  
And hope as bright my bosom fills  
From faith that cannot die

Row on, row on, God speed the way  
Thou must not linger here  
Storms hang about the closing day  
Tomorrow may be clear  
<Repeat verse 1>
